

The iTunes logo is displayed in a light blue, sans-serif font. It features a lowercase 'i' followed by the word 'Tunes'. The logo is positioned in the upper right quadrant of the slide.

Welcome to iTunes

The iTunes logo is displayed in a light blue, sans-serif font. The 'i' is lowercase, while 'Tunes' is uppercase. The logo has a subtle drop shadow effect, making it stand out against the blue background.

iTunes

You've never been so easily entertained.

iTunes is the easiest way to organize and enjoy the music, movies, TV shows, apps, and books you already have — and shop for the ones you want to get.

You can even listen to free streaming radio stations with iTunes Radio.

[Learn more about iTunes >](#)

You've never been so easily entertained.

Welcome to the iTunes Installer

iTunes is the best way to enjoy your music and video with your PC, iPod, iPhone, and Apple TV.

Use iTunes to import CDs or download songs and videos from the iTunes Store. Make playlists for any occasion. Burn playlists to CDs and play them on your home or car stereo. Sync your media with iPod or iPhone to enjoy it on the go, or play your collection on your TV with Apple TV.

This installer guides you through the steps necessary to install iTunes and QuickTime. QuickTime is required to play and import music and videos. To get started, click Next.

9.0.3.15

iTunes Setup Assistant

Welcome to iTunes

Based on your answers to a few brief questions, this assistant will configure iTunes and alert you to any additional information you need to know about the application and your system.

Choose "iTunes Help" from the Help menu to get additional help about iTunes features.

To get started, click the Next button.

< Back

Next >

Cancel

iTunes Setup Assistant

Find Music Files

iTunes can search your My Music folder to find the songs you already have and add them to your iTunes library. iTunes can play both MP3 and AAC music files, and can automatically make AAC versions of unprotected WMA files.

Add MP3 and AAC files

iTunes will find the MP3 and AAC files in your My Music folder and add them to your iTunes library. The songs will not be copied from their current locations.

Add WMA files

iTunes will find the unprotected WMA files in your My Music folder and automatically create AAC versions in your iTunes library. The original WMA files will remain unchanged. iTunes cannot convert protected WMA files.

iTunes Setup Assistant

Keep iTunes Media Folder Organised

When you edit a song's name, artist, album or track number, its file name and location on disk can automatically be changed to match. Would you like iTunes to do this?

Choosing to keep your iTunes Media folder organised will cause iTunes to rearrange and rename your music files and folders.

This only applies to files contained in your iTunes Media folder.

Yes, keep my iTunes Media Folder organised

No, I'll change the file and folder names myself

< Back Next > Cancel

iTunes Setup Assistant

Download Album Artwork

iTunes can automatically download album artwork when you add songs to your library. iTunes can also download album artwork for songs in your library that don't already have artwork.

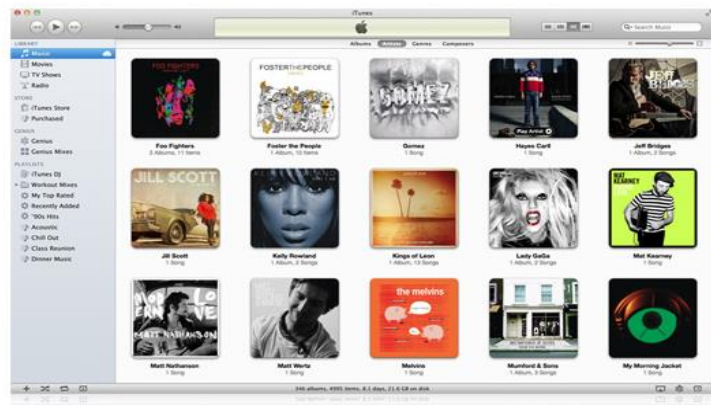

Downloading album artwork requires an iTunes Store account. Go to the iTunes Store, sign in or create a new account, and then choose Get Album Artwork from the Advanced menu.

Information about songs with missing artwork will be sent to Apple. Apple does not keep any information related to the contents of your music library.

< Back Finish Cancel

Thank you for downloading iTunes.

Now that you've downloaded iTunes, you're just a few steps away from starting a digital entertainment collection and enjoying it on your Mac, PC, iPod, iPhone, or iPad.

Get started with iTunes:

What is iTunes?

iTunes is how you play all your media on your Mac or PC and add it to your iPhone, iPad, iPod, or Apple TV. And it's a store that's always open and just a click away. [Learn more](#)

What's on iTunes?

Music, movies, TV shows, books, audiobooks, apps, podcasts. They're all on the iTunes Store. [Learn more](#)

What's new in iTunes?

iTunes in the Cloud takes what you buy on iTunes on one device and pushes it to all your other devices, wirelessly and without syncing.

Do you want to run or save iTunesSetup.exe (71.4 MB) from appldnd.apple.com? [Run] [Save] [Cancel]
